  During 6th sem Summer Internship

When i was doing that summer internship of a month, i learnt many new and unique tricks about my personal skill. That skill i used in my professional life. I done my summer internship from codesoft. The company who has brilliant innovative ideas and tasks for the interns for expand their skill and able to get high paid job in future. I definitely will share my experience to my friends and classmates. And last but not least i would like to thank to the codrsoft team.
